OFFICE OF CONGRESSMAN TED DEUTCH

CONGRESSIONAL YOUTH CABINET APPLICATION

About the Congressional Youth Cabinet

Congressman Ted Deutch's Congressional Youth Cabinet will provide young adults in Florida's 21st district with an opportunity to influence the policymaking process and better understand how Congress works. The goal of the Congressional Youth Cabinet is to foster a lifetime commitment to civic engagement and public service.

The Congressional Youth Cabinet is a nonpartisan initiative that will expose students to the importance of youth advocacy in America, the legislative process, and ways that citizens can serve as effective agents for positive change. Members of the cabinet will also have the opportunity to provide Congressman Deutch with their own ideas about solving pressing issues facing young Americans.

This organization will provide student members with a unique opportunity to connect with other elected officials, peers, and community leaders. Through this new partnership with Congressman Deutch, young Floridians will gain a solid understanding of how they can make a positive difference in the lives of children, youth, and families in their communities and their country.
